

In Kind Giving LEADERSHIP

Thinking of making an in kind donation to Cambodian Children’s Fund? Here’s what our different programs are looking for.

Books and Games

Books (fiction and non-fiction), puzzles and games (Lego, scrabble, monopoly, battle ship, chess, risk, tinker toys, lincoln logs).

Digital cameras

Our kids love to tell stories through photos and film. Your old digital camera could find a new life with our leadership team.

Microphones, speakers and voice recorders

Ipads and tablets

Tablets (new or old) are a powerful education tool for a classroom - and a valuable research tool for a university student.
