Trustees Report and Financial Statements

Year Ended 31 December 2014

Report of the Trustees

The Trustees present their report along with the financial statements of the Charity for the year ended 31 December 2014.

The Cambodian Children's Fund UK is a UK-based, non-governmental, non-political, non-religious charity. It is constituted under a Trust Deed dated 28 November 2009 and is registered with the Charity Commission under registration number 1135214. The legal and administrative information set out on page 1 forms part of this report.

The financial statements have been prepared on the basis of the accounting policies set out in note 1 to the financial statements and comply with the Charity's Trust Deed and Accounting and Reporting by Charities – Statement of Recommended Practice (SORP 2005). Although not a requirement, the Charity has opted to make additional voluntary disclosures in line with best practice for larger charities.

Structure, governance and management

The Trustees who served during the period are shown on page 1 of this report. DCI John Geden was appointed as trustee in December 2010 and resigned in August 2015. Juliet Phillips was appointed as a trustee in March 2012 and resigned in February 2014. Liz Bolton was appointed in September 2012 and resigned in July 2014. Liam Palmer and Duncan Neale were appointed as trustees in April 2013 and December 2013 respectively. The trustees appointed a new Chair, Sophia Brickell Canonaco in October 2014.

The Charity is wholly administered by its Trustees, none of whom receive any remuneration or compensation for costs incurred in performing their duties. The Trustees meet at least quarterly. Trustees manage the financial and day-to-day administration of the Charity on a rotating basis. The work of the Trustees is supported by the role of Secretary of the Board of Trustees which includes such administrative duties such as organising board meetings and recording the minutes of those meetings as well as the broader responsibility of acting as a liaison between the Trustees and the Charity's partners. The Secretary of the Board receives a fee of £200 per month for this work. The Charity does not employ any staff and all volunteers are required to meet their own expenses.

Trustee recruitment, induction and training

The Trustees have the power to appoint new Trustees by a resolution passed at a special meeting of the Trustees. According to the Trust Deed, all Trustees are appointed for a term of two years. New Trustees are nominated by existing Trustees and appointed on the basis of a majority decision of the Trustees, following an assessment of whether they have the necessary skills to contribute to the Charity's management and development. A suitable candidate may be invited to observe a Trustee meeting prior to taking up any appointment. All initial and new Trustees are required to have completed Declaration of Eligibility and Conflict of Interest Forms.

Cambodian Children's Fund UK

Registered Charity Number: 1135214

Trustees Report and Financial Statements

Year Ended 31 December 2014

New Trustees are provided with an "Induction Pack" covering such topics as governance, structure, finance and legal status. In addition, to familiarize themselves with the Charity and the context within which it operates, new Trustees are encouraged to meet with the management of the Charity's beneficiary organizations in Cambodia. Trustees are encouraged to visit the projects in Cambodia. Currently, there is no on-going training policy in place for Trustees.

Objectives of the Charity

The objectives of the Charity, as set out in the Charity's Trust Deed, in the period under review were:

(1) To promote and advance the education of the public in subjects relating to sustainable development and the protection and enhancement of the country and young peoples of Cambodia. Sustainable development means "development which meets the needs of the present without compromising the ability of future generations to meet their own needs".

(2) To act as a resource for young people up to the age of 25 living in Cambodia by providing advice and assistance and organizing educational, health and other programmes as a means of:

- a. advancing in life and helping young people by developing their skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals;
- b. advancing education;
- c. improving health;
- d. relieving unemployment;
- e. providing recreational and leisure time activity in the interests of social welfare for people living in the area of benefit who have need by reason of their youth, age, infirmity or disability, poverty or social and economic circumstances with a view to improving the conditions of life of such persons.

(3) To carry out any purpose for the benefit of young people in Cambodia which is Charitable according to the law of England and Wales, as the Trustees in their discretion decide.

The Charity delivered its charitable objectives during the period by identifying and approving financial grants to a partner organization. Funding the work carried out by partner organization(s) was chosen as the optimum model for the Charity, as the Trustees consider it inefficient and unproductive financially to establish its own infrastructure and staff in Cambodia.

During the period, the Charity made financial grants to the Cambodian Children's Fund, a charitable organization registered and operating in Cambodia. The Trustees have therefore complied with their obligation to exercise their powers and duties for public benefit.

Cambodian Children's Fund UK

Registered Charity Number: 1135214

Trustees Report and Financial Statements

Year Ended 31 December 2014

Review of activities, achievements and performance

The Charity was registered as a Charity in England & Wales on 25 March 2010 and was officially launched on 14 September 2010. During the period 1 January 2014 – 31 December 2014, the Charity's donor base continued to grow and included donations from corporations as well as individuals. The Charity continued to strengthen its partnership with the Cambodian Children's Fund (CCF), a charity registered in Cambodia and based in the capital city, Phnom Penh. Based on CCF's demonstrable ability to use donated funds efficiently and to meet the objectives of the Charity, the Cambodian Children's Fund UK continued to make financial grants to the Cambodian Children's Fund (CCF). The CCF was founded in 2003 and provides life-changing education, nourishment and medical care to vulnerable children from some of Cambodia's most destitute communities. The CCF currently cares for 2,300 children and has an internationally-acclaimed reputation for its highly efficient use of donor funds.

Total grants of U\$127,124 (£77,964) were awarded to CCF in the period 1 January 2014 – 31 December 2014.

Advancing education – funding of a university education

U\$32,864 (£20,167) of the grants made during 2014 were to pay for two years of university education for 15 students, covering the academic years September 2013 – October 2014 and September 2014 – October 2015. CC-UK has committed to funding the full costs of 15 students through four years of university, which represents a commitment a further U\$32,864 to cover the additional two academic years ending in October 2017. We are delighted to announce that a new partnership with Credit Suisse sees 2 of these 15 students interning in Singapore receiving international business experience.

Advancing education – transportation

Funds of \$21,164 (£12,952) raised by Darren Fisk in the UK were granted to purchase a 25-seat bus for CCF5. The bus is used to transport students from/to school, to do evening voluntary work, and play sports and go outing at weekends. Also, it's used to transport students to visit their parents / hometown monthly and for other special occasions (Khmer New Year, Pchum Ben, camping trips, etc.).

Improving health

U\$32,500 (£20,000) was used to fund the total cost of the dental clinic for the year, providing dental checks and repair to children in Cambodia in line with the Charity's objectives.

Providing recreational and leisure time activity

Funds of \$40,597 (£24,845) raised by Ben Gilks in the UK from a charity boxing match were allocated to the operation of CC2, a residential shelter which benefited around 100 female students under the age of 15 years old.

Voluntary help and gifts in kind

The Trustees are enormously grateful to the volunteers and friends of the Charity who performed services for the Charity free of charge, carried out fundraising on the Charity's behalf or donated their time and items for events, which has enabled the Charity to operate with minimal overhead costs during the course of its existence.

Cambodian Children's Fund UK

Registered Charity Number: 1135214

Trustees Report and Financial Statements

Year Ended 31 December 2014

Financial review

All of the income of the Charity arose as a result of direct financial donations or from fundraising events.

The Charity had brought forward funds of £104,078.

During the year, the Charity raised a total of £78,874 for its charitable purposes, of which £6,061 was received as direct donations from public donations and £72,813 was received as direct donations from the Charity trust and from Just Giving. The Charity has minimal administrative and other overhead costs and for the year ended 31 December 2014 these amounted to £2,566.

The Charity received interest income of £100 from Barclays bank accounts. Accounts with Barclays bank were set up in January 2014 to manage the charity's day-to-day banking.

The Charity made a grant to beneficiaries in the period of £77,964, leaving net resources of £102,522

Reserves policy and risk management

The Charity is required to account for all donated funds according to whether they are for general purposes in furtherance of the Charity's objects ("Unrestricted Funds"), or specifically given for a particular project or purpose, but still within the wider objects of the Charity ("Restricted Funds"). All the funds raised by the Charity in 2014 were for general purposes and at 31 December 2014 the Charity held no Restricted Funds.

Part of the Charity's Unrestricted Funds are earmarked by the Trustees for particular projects and designated as separate funds ("Designated Funds").

In order to ensure that the Charity is able to function properly and continue to meet its ongoing capital and revenue commitments for the projects it supports, the Trustees maintain a certain level of reserves, by setting aside cash or other current assets at the end of the year. The Charity's Reserve Policy state that the Trustees will at all times ensure that the charity carries sufficient reserves to meet any short term unforeseen financial pressures. Reserves not otherwise invested as set out in this document will be invested where practicable in a Savings Account with the bank accruing interest.

Cambodian Children's Fund UK

Registered Charity Number: 1135214

Trustees Report and Financial Statements

Year Ended 31 December 2014

The Trustees have reviewed the Charity's need for reserves in line with the guidance issued by the Charity Commission. The Charity holds reserves for the following reasons:

- to cover the future cost of capital commitments already entered into or under negotiation;
- to cover the future running costs of each project for a period of at least one year;
- as protection to enable the Charity to continue operating despite catastrophic or less damaging events; and
- to provide funds which can be designated to specific projects at short term notice.

This figure is constantly reviewed by the Trustees. As at 31 December 2014, the Trustees estimated that the Charity required reserves of £3,000 based on the administrative expenditure and running costs of the charity in 2014. The Charity's total Unrestricted Funds as at 31 December 2014 were £102,522 which meant that the estimated reserves were covered in full, with a healthy margin to cover capital and other projects planned by the Charity in 2015. The Trustees of the Charity consider risk management to be of great importance. The Charity has always considered the risks inherent in their activities and at all times this consideration forms an important part of the planning and decision making process.

Future plans

The Charity will continue to work with the Cambodian Children's Fund to support a number of educational projects for children in Phnom Penh as well as health-related activities, including nutritional support, and vocational training. In 2015, this will include the commitment to fund the university education of 15 students over a four year period.

The Charity will also seek to attract additional Trustees and high profile supporters to bring additional skills to the Charity and to generate greater awareness of the Charity and its objectives among the general public. The Trustees also intend to continue providing grants to registered charities/non-governmental organizations in Cambodia operating with objectives which are in alignment with the Charity's objects and to meet emergency medical and nutritional needs as these arise.

Statement of Trustees' responsibilities in relation to the financial statements

Charity law requires the Trustees to prepare financial statements for each financial year which show a true and fair view of the state of affairs of the Charity and its financial activities for that period. In preparing those financial statements, the Trustees are required to:

Cambodian Children's Fund UK

Registered Charity Number: 1135214

Trustees Report and Financial Statements

Year Ended 31 December 2014

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operational existence.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and to enable them to ensure that the financial statements comply with the Charities Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner

The Trustees intend to ask Ms. Joanna Strickland FMAAT, to undertake the independent examination of the Charity.

Signed on behalf of the Trustees

Duncan Neale, Trustee

Trustees Report and Financial Statements

Year Ended 31 December 2014

Independent examiner's Report to the Trustees of the Cambodian Children's Fund UK

I report on the financial statements of the Charity for the year ended 31 December 2014, which are set out on pages 9 to 15.

Respective responsibilities of Trustees and examiner

The Charity's Trustees consider that an audit is not required for this year (under section 43(2) of the Charities Act 1993 (the Act) and that an independent examination is needed.

It is my responsibility to:

- examine the financial statements (under section 43 of the Act);
- to follow the procedures laid down in the General Directions given by the Charities Commission (under section 43(7)(b) of the Act); and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the Charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently, I do not express an audit opinion on the view given by the financial statements.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in, any material respect, the Trustees have not met the requirements to ensure that:

- proper accounting records are kept (in accordance with section 41 of the 1993 Act); and
- financial statements are prepared which agree with the accounting records and comply with the accounting requirements of the Act; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

Trustees Report and Financial Statements

Year Ended 31 December 2014

Notes to the financial statements

1. Accounting policies

The financial statements have been prepared under the historic cost convention and in accordance with applicable accounting standards, the Statement of Recommended Practice "Accounting and Reporting by Charities" (SORP 2005) and comply with the Charities (Accounts and Reports) Regulations 2005 issued under the Charities Act 1993, as amended by the Charities Act 2006.

Incoming resources

Recognition of incoming resources

These are included in the Statement of Financial Activities (SoFA) when:

- the Charity becomes entitled to the resources;
- the Trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Donations and grants

Donations and grants are only included in the SoFA when the Charity has unconditional entitlement to the resources.

Investment income

This is included in the financial statements when receivable and is gross of tax.

Expenditure and liabilities

Expenditure, which is charged on an accrual basis, is allocated between:

- expenditure incurred directly in the effort to raise voluntary contributions (costs of generating funds); and
- Expenditure incurred directly to the fulfillment of the Charity's objectives (costs in the furtherance of charitable activities).

Irrecoverable VAT is charged to the SoFA are incurred.

Governance costs

Trustees do not receive any remuneration or compensation for costs incurred in performing their duties and are required to meet their own expenses of attending meetings or visiting projects or beneficiaries in Cambodia. In addition, the costs of the preparation and examination of the statutory accounts and the cost of any legal advice to the Charity or to the Trustees on governance or constitutional matters is provided free of charge or costs are covered by supporters of the Charity. The Charity did not incur any governance costs in the year ended 31 December 2014.

Cambodian Children's Fund UK

Registered Charity Number: 1135214

Trustees Report and Financial Statements

Year Ended 31 December 2014

Administration and other costs

Wherever possible, the Charity seeks to obtain willing donors or supporters to provide materials or services to the Charity, free of charge. This includes the cost of designing and hosting the Charity's website, the design of leaflets and other publicity materials, postage and communication costs and the financial and general administration of the Charity. The cost of providing such services is not included in the financial statements as a cost or benefit in kind.

Grants payable

These are only recognised in the financial statements once the Charity has made an unconditional commitment to pay the grant and this is communicated to the beneficiary or the grant has been paid, whichever is the earlier. The Charity has not made any grant commitments of more than one year.

Liability recognition

Liabilities are recognised as soon as there is a legal or constructive obligation committing the Charity to pay out resources.

Foreign currency

Transactions are denominated in foreign currencies are translated at the exchange rate at the date of transaction. All assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the balance sheet date. The resulting gain or loss is dealt with in the SoFA.

Fund accounting

Unrestricted general funds represent incoming resources on which there is no restriction, but may be designated by the Trustees for a particular project or area of charitable activity.

Restricted funds are funds that can only be used for particular restricted purposes within the objects of the Charity. They are incoming resources on which the donor has laid down conditions relating to the expenditure thereon or when funds are specifically raised for particular restricted purposes.

Further explanation of the Charity's restricted and Designated Funds is provided in notes 5 and 6 to the financial statements.

Gift aid reclaimable on donations is included with the amount received and, where applicable, credited to the relevant designated or restricted fund.

Taxation

The Charity is exempt from taxation on its income and gains where they are applied for charitable purposes.
